

# RESOLUTION SUBMISSION FORM

This form is provided as an aid in recording Caucus resolutions after they have been proposed, amended, if necessary, and finally passed. This form contains space for a **Preamble** followed by the **Resolution**. A preamble is not always necessary; but is used to provide additional information without which the point or merits of the resolution might not otherwise be understood. Totals for votes other than voice votes should be recorded in the spaces provided.

Each resolution should be coded by its presenter by checking the appropriate boxes on the list shown on the back of this form. (Please note that the coding may be changed by the Platform Committee at the next level.)

Completed forms are to be inserted in Envelope B and mailed to the County Chair immediately. The County Chairs should immediately refer all resolution forms to the County Platform Committee Chair. Please note: This form must be in the hands of the County Platform Committee Chair by no later than Thursday before the first scheduled meeting of the County Platform Committee.
